

RGH4

FRONT, REAR & SIDE D WORK POSITIONING HARNESS

RGH4

The RGH4 combines the basic fall arrest harness with a comfortable work positioning belt in one unit.

Fitted with a rear D and two side rings mounted to the belt. This comfortable harness is designed for operatives who spend a lot of time working at height and in exposed areas. The RGH4 is a 'multi-task' harness and will allow operatives to access almost any area in safety using a combination of the RIDGEGEAR products available.
